

Dear Author,

Welcome to Little Lamb Books and our submissions guide for authors!

Little Lamb Books is an imprint established in 2015 specializing in publishing works ranging from picture books to young adult novels. As a small, faith-based publishing company in Texas, we are looking to build a thrilling list of books for readers between the ages of 5-18. We are looking for smart stories and fresh characters that will enrich the lives of our readers, encourage boys and girls in their faith, and inspire young minds to think positively about themselves and the ways they can impact the world around them.

From contemporary Christian to mystery and suspense to adventure and science fiction, we believe that a strong and creative story can be told and include faith, morals, and principles that will help our young readers as they face their everyday challenges. Books are a great way to influence young lives with a positive message, to kindle a love of reading and learning, and to connect parents and their children through the often difficult years of adolescence. We strive to be a guide, a mentor and a friend for our readers.

We hope you have a chance to work with us and us with you! We look forward to what you have to offer and hope that your story will be one that our readers will love now and in the future.

We request that you make sure your manuscript is polished, edited, and correctly formatted. Please read our submission guidelines carefully and make sure that you meet our specific criteria before sending in your manuscript. ALL submissions should incorporate strong life principles and faith-based values.

Thank you for your interest in us! We look forward to hearing from you soon!

Blessings,

Rachel Pellegrino
