ABOUT US

Hello! We are Little Lamb Books, a boutique trade publisher of elementary, middle grade, and young adult fiction. The goal of our titles is to encourage, inspire, and entertain readers between the ages of 5-18 through creative storytelling that blends interesting characters, strong plots, and colorful illustrations with the a biblical worldview.

Based in the Dallas-Fort Worth area, we work with a small team who enjoy working in a start-up environment to create a strong catalog of picture books, chapter books, and full-length novels that will reach boys and girls interested in a variety of genres, including comedy and humor, historical and contemporary, mystery and suspense, actions and adventure. We look for strong characters, detailed scenes, moving plots, and a strong faith story, whether overt or subtle, that is relevant to our readers.

All our books are distributed through Small Press United and IPG, and are printed in both the U.S. and Canada. You will find a variety of hard covers, soft covers and eBooks.
